

Code as a Second Language

Code as a Second Language (CSL) Virtual Coding Camp

What?

- Learn how to code! You can learn how to build your own website and applications!
- Haven't coded before? Don't worry we'll teach you
- Use various online platforms!
- Build apps and games like the ones you use everyday!

Outcomes?

- You will learn the basics of coding!
- You will get access to LOFTnetwork, with students like you from all over the U.S.!
- When you finish this course, you will receive a certificate to show all your friends!
